

MIB Holdings, LLC is a Miami-based firm working across government contracting and supply, government and national-security advisory, protocol and advance, and real estate. It is led by a former U.S. Department of State foreign affairs officer holding an active TS/SCI clearance.

Core competencies

- **Government Contracting & Supply.** Capture and delivery across federal, state, tribal, and local government.
- **Government & National Security Advisory.** Foreign affairs and national-security advisory, management consulting, and federal go-to-market advisory for commercial firms.
- **Protocol & Advance.** Protocol advisory and execution for high-level engagements: summits, ministerials, delegation and visit management, principal travel, and interagency coordination.
- **Real Estate.** Residential rental property, held and managed directly. The founding business of the firm.

Differentiators

- **Delivery when the requirement is not yet clear.** Execution under ambiguity — task forces, summits and principal travel run inside the Department of State.
- **An active TS/SCI clearance.** Active TS/SCI clearance, held personally by the principal.
- **Over a decade in and adjacent to the U.S. government.** Over a decade in and adjacent to the U.S. government — eight years inside the Department of State, four more years in the private sector solving the U.S. government's thorniest challenges.
- **Protocol at head-of-state level.** Summit, ministerial and ambassadorial-conference protocol and advance.
- **Foreign-affairs and national-security specialization.** A defined subject-matter lane, registered under NAICS 541618.
